

"Kids CARd Club: Get Published!"

Kids CARd Club kids have a chance to be published in one or more newsletters of the clubs participating in the summer series car shows at the MOT!

Newsletters are the heart of each car club. Each month car hobbyists receive their newsletters with upcoming events, club information, fun trivia, and area news.

Share your "journalistic" talents with 1,000's in the hobby!

Rules:

All submissions must be made by children participating in one or more of the Kids CARd Club workshops/activities.

Submissions must also come with a signed copy of parental consent. Early submissions by June 30th with final submissions no later than October 4th.

Winners will receive an "I Got Published!" certificate and a copy of the newsletter they are included in.

There are three ways to enter!

2. Children 9 and up

Write an essay! Tell us what the Kids CARd Club taught you about antique cars, or what you feel is important for kids everywhere to know about these moving pieces of history. 100-150 words, typed.

3. All Children

Photo essay! Take photos at the shows and submit your very best one!
